CAIRNS

Home to one of the Earth's seven natural wonders, a trip to Cairns is not complete without jumping aboard a dive boat and taking a trip to the Great Barrier Reef. With its tropical climate, the regions rich rainforests can be experienced with an exciting river rafting trip down the Tully River or from above aboard the historical Kuranda Scenic Railway and Skyrail Cableway. Once off the train, experience shopping food and wildlife that make up this region at Kuranda Markets. While in Cairns you can experience the might and power of a Crocodile show or adventure through the 'Dreamtime' - a story of Australia's indigenous Aboriginal culture in this tropical paradise.
